

WAA is committed to teaching younger generations about the value of their freedoms and the importance of honoring those who sacrificed so much to protect those freedoms. We offer learning tools, interactive-media projects and opportunities for schools, 4-H clubs, Scouts and other youth groups to participate in our efforts. The Mobile Education Exhibit is a traveling classroom on wheels designed to inspire and educate all about the mission and those whose lives have been impacted by it. The goal of the Wreaths Across America Education Exhibit is to bring local communities and our military together through education, stories and interactive connections.

*"Find a Way to Serve."*

The inspiration for this year's theme came from a few different places and seemed to be a recurring conversation throughout the last year. Notably, the [American Rosie Movement™](https://www.americanrosiemovement.org/) which highlights the stories of the World War II-era women known as Rosie the Riveters, or simply "Rosies." These women pulled together to do the work that needed to be done for our freedom. The movement encourages youth to get involved in their own communities to serve in small ways that can make a big impact. As part of this new theme, Wreaths Across America is revamping its educational curriculum working with like-minded organizations to develop action plans to inspire young people across the country to *find a way to serve* in 2022 and beyond.
